

2014 President's Report

The Frivolous Ultimate Inc has just finished its third year as a club. We had 13 members by the end of September 2014 after a year that saw the return of two of our annual events and continued participation in Advanced League.

The 2013 Frivolous AGM and family BBQ was a real hit with a great turn out on a sunny day in Kingston Beach. There was a bit of cricket played, frisbees thrown and plenty to eat. The AGM concluded with the election of Shavawn Donoghue - President, Andy Cole - Vice President, Matt Petrie - Secretary and John Kristensen - Treasurer.

Frivolous ran two events in 2014 - the Kingston Beach League and Frivolous 7s. The Kingston Beach League was run for the second time, after a year off last summer. The league saw four teams play over six weeks from the end of January until mid March. The champions were the undefeated *Golden Gaytime* and the Spirit winners were *Black Mamba*. A big thank you to Tim Johnson for running this league.

Frivolous 7s also made a return to the social ultimate calendar in May with four teams battling it out in the cool and breezy conditions (an improvement from the rainy and cold conditions in 2012!). This year saw a return of *Vintage* (although with a slightly different team line up) along with three new teams - *Deep Threat*, *Hucklepuff*, and *Discmans Rock*. *Hucklepuff* saw the first predominately Launceston/Northwest team compete in the tournament. After a grueling day of savage ultimate *Deep Threat* took out the 2014 title from *Vintage* in an exciting final. *Discmans Rock* won Spirit in an extremely tight contest - giving Mark Verrall and Amina Eldaleh an unbroken winning Spirit record in Frivolous 7s. Thank you to Andy Cole, who did an excellent job as TD.

Frivolous also entered a team into the TUA Spring Advanced League. *Dial-a-Llama* returned with Ruth Davies as captain and Matt Petrie as manager. After mixed success during the league the team finished strong after a narrow defeat in the semi-finals to claim 3rd.

Due to an large injury list *Dial-a-Llama* took a few seasons off returning again for the 2014 TUA Spring Advanced League.

On the administration side of things, we have continued our successful working relationship with the Kingborough Council and have extended it to include the Kingborough Sport Centre. We would also like to thank the TUA for providing score boards for both of our events.

Financially Frivolous is in a sound position, thanks to our membership and two very successful event.

A special mention should go to Matt Petrie, Tim Johnson, and Andy Cole for organising Frivolous tournaments and advanced league teams this past year.

Finally I would like to thank all the members of the Frivolous committee - Matt Petrie, Andy Cole and John Kristensen. Without people volunteering their time and energy, we would not have had such a successful return of two of our annual events. We would also like to thank all of the players both member and non-members who played in our events over the past year without your participation we would not be able to continue to run these events on an annual basis.

Shavawn Donoghue
Frivolous President
